

HealthAmerica Online Enrollment is Here!

HealthAmerica offers benefitexpress to small market clients!

Benefitexpress is HealthAmerica's small market online paperless application and enrollment process.

Benefits of online enrollment:

- ★ Complete and accurate applications lead to faster underwriting and enrollment
- ★ Greater confidentiality for employees' personal health information. Employee applications go directly to the medical underwriter via a secure website
- ★ Benefitexpress is available 24 hours a day, 7 days a week. Applications can be completed from any computer with internet access.
- ★ It's paperless (must submit UC-2)
