### Notes Regarding All Plans

\*These plans are qualified high deductible health plans and may be used with a Health Savings Account.

\*\*\$100 Individual/\$300 Family Rx benefits deductible (on Copay Series). Excludes Tier 1.

- Lifetime Maximums are unlimited.
- Coinsurance is based on Eligible Charges as defined in your Certificate of Insurance. Benefit limitations are a combination of in-network and out-of-network benefits.
- Coverage for biologically based illness (BBMI) is unlimited for inpatient and outpatient services. Office visits copays/ coinsurance and inpatient hospital copays/coinsurance apply to BBMI. Substance abuse limits for PA members is dictated by PA Act 106 and includes detox, non-hospital residential and outpatient services.
- Pregnancy and delivery are not covered benefits (unless there are complications).
- HealthAmerica pays nonparticipating providers an out-of-network rate, which is the usual rate paid to medical providers in a geographic area for a specific medical service. In addition to your copay or coinsurance, you are responsible for paying nonparticipating providers the difference between our out-of-network rate and their actual charge for non-emergency services. Your out-of-pocket costs for non-emergency care from nonparticipating providers may be substantial.

This is not a contract. It is intended solely to provide you with an overview of the plan. Complete details of benefits, terms and exclusions are governed by your HealthAmericaOne Non-employer Group Contract, which is underwritten by Coventry Health and Life Insurance Company (d.b.a. HealthAmerica) for the HealthAmerica Ohio Insurance Trust.
