If you qualify for extra help with your Medicare prescription drug coverage costs, Medicare will pay all or part of your plan premium. If Medicare pays only a portion of this premium, we will bill you for the amount that Medicare does not cover. If you don't select a payment option, you will receive a bill each month.

- Receive a bill. Information about EFT will be included with your first bill.

Statements of Understanding and Authorization

By completing this enrollment application, I agree to the following:

The information on this enrollment form is correct to the best of my knowledge. I understand that if I intentionally provide false information on this form, I will be disenrolled from the plan.

(1) Effective Date:

I understand that SecurityBlue HMO will notify me in writing of my confirmed effective date of enrollment in SecurityBlue HMO. I understand that, generally, my effective date will be the first of the month following the month in which SecurityBlue HMO receives my completed enrollment application. I understand that I may want to consider not cancelling any Medicare supplement plan or Medigap/Medicare Select plan until I am notified in writing of my confirmed effective date in SecurityBlue HMO.

(2) Medicare Eligibility and Medicare Premiums:

SecurityBlue HMO is a Medicare Advantage plan and has a contract with the Federal government. I understand that I must be entitled to Medicare Part A and enrolled in Part B to be eligible to join SecurityBlue HMO. I also understand that I must keep my Medicare Part A and Part B insurance by paying the Part B premiums and the Part A premiums, if applicable.

(3) Medicare Advantage Plan Selection:

I understand that I can be a member of only one Medicare Advantage plan at a time. By enrolling in the plan on this form, I will automatically be disenrolled from any other Medicare Advantage plan or prescription drug plan of which I am currently a member. I also understand that since I can be a member of only one Medicare Advantage plan at one time, I cannot enroll in more than one Medicare Advantage plan with the same effective date of coverage.

(4) Voluntary Disenrollment:

Enrollment in SecurityBlue HMO and other Medicare Advantage Plans is generally for the entire year. Once I enroll, I may leave this Plan or make changes only at certain times of the year when an enrollment period is available (example: November 15 – December 31 of every year), or under special circumstances by sending a request to SecurityBlue HMO or by calling 1-800-MEDICARE. TTY users should call 1-877-486-2048, 24 hours a day/7 days a week. Until my disenrollment is effective, I must keep getting healthcare from SecurityBlue HMO.

(5) Medicare Appeal Process:

I understand that as a member of the Plan, I have the right to appeal the Plan's decision about payment or services if I disagree.

(6) Moves from the Service Area:

I understand that it is my job to tell the Plan before I move out of the service area. I understand that if I move permanently out of the service area, Medicare requires SecurityBlue HMO to disenroll me.

(7) Primary Care Provider Selection:

I understand that I should have my SecurityBlue HMO Primary Care Provider (PCP) designated in Section (6) of this Enrollment Application. Failure to select a SecurityBlue HMO PCP will not delay my enrollment. I also understand that if I do not select a SecurityBlue HMO PCP and SecurityBlue HMO is unable to contact me to select a PCP, one will be selected for me by SecurityBlue HMO. I will receive an identification card indicating the name and number of my PCP once I become a member of SecurityBlue HMO. I can contact SecurityBlue HMO when I receive this identification card and change to a different PCP if I do not wish to remain with the PCP that SecurityBlue HMO selected for me.

(8) Lock-in and Coordinated Care:

I understand that, beginning on the date my Medicare Advantage plan coverage begins, I must get all of my health care, including durable medical equipment, from SecurityBlue HMO network providers. The only exceptions to this are when I seek emergency, urgently needed care and out-of-area renal dialysis services. I understand that SecurityBlue HMO recommends that my chosen PCP coordinate all the medical services that I need. I understand that without authorization, NEITHER MEDICARE NOR SECURITYBLUE HMO WILL PAY FOR THE SERVICES. I also understand that I am free to see any SecurityBlue HMO network provider without a referral. Certain services still require authorization. I understand that if I see another network PCP other than my selected PCP, I will incur a specialist copayment for the visit.

(9) Release of Information:

By joining this Plan, I authorize:

- The Centers for Medicare & Medicaid Services (CMS) to give information to the Plan. The information will say whether I have Medicare Hospital Insurance Benefits (Part A) and Supplementary Medical Insurance Benefits (Part B); and

- Network doctors and clinics, Highmark Blue Cross Blue Shield (HBCBS) or any holder of medical or other information to release to CMS, its contractors, including HBCBS or its assignee, and other plans any information requested as is necessary for treatment, payment, entitlement and administration of benefits under SecurityBlue HMO and Medicare.
- I also acknowledge that SecurityBlue HMO will release my information including my prescription drug event data to Medicare, who may release it for research and other purposes which follow all applicable Federal statutes and regulations.

(10) Benefits and Other Plan Information:

I agree to read the SecurityBlue HMO Evidence of Coverage that I will receive and follow the written rules for the benefits, copayments, deductibles, coinsurance, exclusions and limitations and other terms as described. I understand that the SecurityBlue HMO marketing materials, such as the Summary of Benefits, present only highlights of plans and options, and not details. I also understand that I have the right to review the SecurityBlue HMO Evidence of Coverage prior to enrollment in SecurityBlue HMO.

(11) Third Party Coverage:

It is my job to tell SecurityBlue HMO about other prescription drug coverage or expected reimbursement (also called “third party coverage”) for prescription drugs that I have or may get in the future. If I intentionally misrepresent this information, Medicare requires the plan to disenroll me if this plan has Medicare drug coverage.

(12) Late Enrollment Penalty:

I understand that if I do not have Medicare Prescription Drug Coverage, or creditable prescription drug coverage (as good as Medicare’s), I may have to pay a late enrollment penalty if I enroll in Medicare Prescription Drug Coverage in the future. If SecurityBlue HMO determines that I owe a late enrollment penalty, I will need to let SecurityBlue HMO know if I prefer to pay by mail or Electronic Funds Transfer (EFT) each month.

People with Limited Incomes:

You may qualify for extra help to pay for your prescription drug costs. If eligible, Medicare could pay for 75% or more of drug costs including monthly prescription drug premiums, annual deductibles, and co-insurance.

Additionally, those who qualify will not be subject to the coverage gap or late enrollment penalty. Many people are eligible for these savings and don’t even know it. For more information about this extra help, contact your local Social Security office, or call Social Security at 1-800-772-1213. TTY users should call 1-800-325-0778. You can also apply for extra help online at www.socialsecurity.gov/prescriptionhelp.

Personal Health Information:

I acknowledge and agree that any personally identifiable health information about me (“Protected Health Information”) is protected by The Health Insurance Portability and Accountability Act of 1996 (HIPAA) and other privacy laws, and that, in accordance with those laws, Highmark may use and disclose Protected Health Information for payment, treatment and health care operations as described in its Notice of Privacy Practices. I understand that a copy of Highmark’s Notice of Privacy Practices is available on Highmark’s Web site, or from the Highmark Privacy Office.

Any person who knowingly and with intent to defraud any insurance company or other person files an application for insurance or statement of claim containing any materially false information or conceals for the purpose of misleading, information concerning any fact material thereto commits a fraudulent insurance act, which is a crime and subjects such person to criminal and civil penalties.

I understand that Medicare beneficiaries are generally not covered under Medicare while out of the country except for limited coverage near the U.S. border.

I understand that if I am receiving assistance from a sales agent, broker or other individual employed by or contracted with SecurityBlue HMO, he/she may be compensated based on my enrollment in SecurityBlue HMO.

Counseling services may be available in my state to provide advice concerning Medicare Supplement insurance or other Medicare Advantage Prescription Drug plan options and concerning medical assistance through the state Medicaid program and the Medicare Savings Program.
